

How to Measure?

To choose the correct size for you, measure your body as follows:

1. CHEST

Measure under your arms around the fullest part of your chest.

2. WAIST

Measure around natural waistline, keeping the tape a bit loose.

3. HIP

Measure around the fullest part of your body at the top of your leg.

4. BODY HEIGHT

Between two sizes?

Do you like a tight fit? Go for the small size.

Loving the looser fit? Go for the larger size.

We offer two cuts for men's cycling jerseys - RACE CUT is a tighter, shorter, closer fitting cut. CLUB CUT is a longer, more relaxed loose fit.
